CALL 9 1 1 FOR EMERGENCIES

SHERIFF, FIRE, AMBULANCE

The importance of dialing **9 1 1** in an emergency cannot be overstated. You are encouraged not to be reticent about calling **9 1 1** even if an emergency is only suspected. **PLEASE DO NOT CALL PEBBLE BEACH COMPANY SECURITY IN AN EMERGENCY.** Sometimes the additional time required for Pebble Beach Security to investigate or even to routinely relay the call to **9 1 1** can be critical when fire, health, or safety are involved.

If you need to seek immediate personal shelter from crime, officers are available at the County facility at 1200 Aguajito Rd. just east of Hwy 1 near the Monterey Peninsula College, the Pacific Grove police station at 580 Pine near Forest, the Monterey police station at 366 Madison near Pacific, and the Carmel police station on Junipero between 4th and 5th.

The **9 1 1** system is a centralized emergency dispatch and communication system operated by Monterey County Communications Department with centers located in the Salinas and Monterey Courthouses. Monterey County's **9 1 1** system was the first one organized in the State of California. All public and private agencies involved in emergency services are linked in the **9 1 1** system. The only time the **9 1 1** system should not be used is for information queries or to satisfy one's curiosity.

When you dial **9 1 1**, please be ready to give the dispatcher certain basic information:
